Company name

Street

Postcode, city

Country

Technical contact person

First name, last name

E-mail address

The contractual partner hereby guarantees that

- he has read and taken note of the document Neorecording "Technical requirements".
- the configuration has been done in accordance with his information.
- he has participated in the Neorecording training. The contractual partner is solely responsible for the configuration of the Neorecording portal. Any further configuration by NFON will be invoiced.
- all changes to the Recording extensions are made only by the NFON support. The contractual partner is obligated to communicate these changes to the NFON support in writing and in a timely manner.
- he complies with legal requirements and assumes full responsibility for it.
- he has tested all relevant call scenarios and can ensure that voice recordings will be displayed correctly in POWERplay Web.

With the signature of the contractual partner, the commissioning is considered complete and the services of the NFON Neorecording setup fulfilled.
